

31 July 1973

Captain Wendell J. Furnas, USN
Commandant
Defense Intelligence School
Naval District Washington
Washington, D.C. 20390

Dear Captain Furnas:

Thank you for the letter of 15 June 1973 from Colonel Goetz inviting the Central Intelligence Agency to participate in the nine-month Postgraduate Intelligence Course (PGIC) at the Defense Intelligence School.

We are pleased to nominate [REDACTED] for the pilot program beginning on 10 September 1973. [REDACTED] 33 years old, is a GS-12 and has been with the Agency since January 1968 when he entered on duty as a career trainee. His formal education includes B.A. in History and Government and M.A. in Government from Texas Technological College. He is a highly talented and versatile photo interpreter particularly adept in analysis of strategic missile systems.

[REDACTED] is cleared to receive Top Secret and SI information. Certification of clearances will be forwarded by our Office of Security.

Please forward correspondence for [REDACTED] in a covering envelope addressed to the Registrar, Office of Training, Central Intelligence Agency, Washington, D.C. 20505.

Sincerely,

s/ [REDACTED] for

Alfonso Rodriguez
Director of Training
